

# Gen C: Children of 2050

by Bianca Carague

tetem.nl/gen-c

An exhibition about the future of childhood. What could the world be like in 2050? How will kids learn, play and live? What kind of world will they inhabit?

#### Instructions:

1. Cut out this drawing.
2. Fold on the broken lines and assemble the cube.
3. Download the CoSpaces Edu app
4. Scan this QR code on the app or enter the code JCE-LCA to reveal the hidden message.

10 March - 12 June
